(Kateri Circle)

"Let us put our minds together as one."

--Irving Powless, Sr., ONONDAGA

If we sat in a circle and put an object in the center of the circle and we all described what we saw, everyone would see different points of view from each other. Some would even see opposites because they would be sitting on opposite sides of the circle. In other words, you don't have to see what I see for you to be right. In fact, everyone in the circle is right based on their own point of view. If we are willing to listen to everyone's point of view, then we can get a more accurate description of the object in the center. This is one way to put our minds together. When we get the clarity from each other, we should give thanks and be grateful to each other.

URGENT NOTICE

There are changes happening with the Michigan Indian Tuition Waiver. Since 1996 the Michigan Indian Tuition Waiver (MITW) has been processed by the Inter Tribal Council of Michigan, Inc. As of July 2010, the MITW is now being handled by the Michigan Department of Civil Rights. We received the new applications on July 16th. The applications are now available for you to print from the tribal website

(<https://www.lrboi-nsn.gov/education/docs/MITW%20Application.pdf>)

If your MITW verification was completed prior to 2008, you **must** submit a new application to the Michigan Department of Civil Rights. Print off a new application, make a photocopy of your Michigan Driver's License or state issued ID, and a copy of your Tribal ID card, fill out the application and send them to the Tribal Education Department at 375 River Street, Manistee, MI 49660.

If you have never used the MITW and this is your first time applying, (or if you've just recently applied for the summer or fall semester), you **must** complete the new application. There are people who are in the process of applying and have submitted the older Inter Tribal Council application. These applications will not be processed. You will need to submit a new application. The Education Department will be notifying those students for whom we have unprocessed applications.

If you have been recently certified for the MITW- since 2008- then you will be allowed to submit a copy of your old application along with a photocopy of your driver's license/state ID, photocopy of your tribal ID, and certification of membership from the Enrollment Department. In truth, it may be just as easy for you to fill out the new application as well.

Please do not delay in applying, or reapplying as the case may be, because the fall semester is nearly upon us and this change is applying to every tribe in the state. It should not be a long wait, but it will be best to get it done as quickly as you can. If you have questions, please contact the LRBOI Education Department.

This camp is open for students in grades 8 through 12. There is no cost for attendance, but students must have their own transportation to and from MSU. Academic workshops, cultural activities, and social events are all facilitated and supervised by MSU **Native** faculty, staff and current undergraduate students! The PCLP Youth Retreat is the perfect place for Native young people to learn about college!

It is designed for students who will be entering 8th to 12th grades in the fall of 2010. Space is limited to the first 30 applicants.

Students will stay in a college residence hall, explore college classes, explore career opportunities, improve understanding of the college admissions process, improve understanding of financial aid, develop relationships with other Native youth from across the state, develop relationships with Native role models from across the state, practice for the ACT, develop leadership skills, enjoy social and cultural activities, and have fun!

If you are interested you can contact Stephanie Chau, PCLP Coordinator at (517) 353-1822 or chaus@msu.edu for more information or applications. You can also stop in at the tribal Education Department to pick up an application.

Elders Survey!

Identifying Our Needs: A Survey of Elders

The purpose of this project is to assist tribes, villages, and homesteads in creating a record of the health and social needs of their elders. This survey is a required submission for the Elder Meal Program grant application to help tribes with data needed for their Title VI nutrition and caregiving grants awarded from the Administration on Aging (AoA) and can also help with tribal planning, long-term care discussions, and grant-writing. The survey information also compares the Native American elders to the general U.S. population to determine the extent of existing social and health differences. A survey instrument was constructed using questions from nationally administered questionnaires so comparisons could be made with data from the nation. Data is collected on: general health status, activities of daily living, vision, hearing and dental care, screening, health care access, tobacco and alcohol usage, weight and nutrition, social support/housing, demographics and social functioning. The information is confidential and the survey instrument does not identify your name but will ask for your zip code for demographic data. Time to complete survey is about 30 minutes.

Departments assisting Elders with the Survey: Family Services, Clinic CHR's, Members Assistance Intake Clerks
There will be staff at the Muskegon Office available to Elders who would like to participate August 10th.

Rapid River News!

Dataagmini-Giizis (Tumbleberry Moon)
August 10, 2010 Volume 5 Issue 28

From L.R.B.O.I.

Whoops! We're running a bit behind this year and didn't send out notices for the Monarch project. However, this week we are expecting a bunch of little caterpillars. As usual we cannot give an exact date except to say that they will arrive between tomorrow and Friday. So, if you or your kids, or your department would like to raise a few monarch caterpillars we'll have them here.

Apparently the past winter was difficult on Monarchs that overwintered in Mexico, so there may be fewer returning generations of monarchs this season. With an idea to help the Michigan monarch population we ordered more caterpillars this year, so if you'd like a few, let us know! We'll put you on a list and let you know as soon as we receive them!

If you have friends or family in the Muskegon area who might want to participate, if you could let them know that caterpillars should be available there on Monday that would be great too. They can just give the Education Department a call and we'll have caterpillars they can pick up down there.

Contact Deb Davis 6724, or Yvonne Parsons 6735 or email us! Thanks
